ISO 9001:2015 TRANSITION COURSE

SGS ACADEMY – TRANSFORMING PEOPLE AND BUSINESSES

As the leader in professional training, we draw on our years of worldwide experience to provide effective learning and development opportunities. We make a difference to individuals, teams and businesses, nurturing talent and enabling continuous organizational progression. Our specialists partner with course participants, identifying improvement objectives and supporting the professional journey.

DURATION (DAYS): 1

TRAINING OPTIONS: Public & In-House

ACCREDITATION: SGS

COURSEWARE LANGUAGE: English

COURSE DESCRIPTION

The objective of this course is to provide participants with an introduction to ISO 9001:2015. This day consists of tutor led presentations and workshops. On completion of this course you will receive an SGS Certificate of Attendance.

AUDIENCE PROFILE

This course is suited to anyone working with Quality Management System standards.

LEARNING OUTCOMES

On completion of this course delegates will be able to:

- explain the purpose and intent of the new series of management systems standards

- understand the application of the principles of quality management
- understand the differences between ISO 9001:2015 and ISO 9001:2008 standards
- appreciate the timeline for moving to certification to the 2015 standard

BACKGROUND

The latest stage in the ISO 9001 arrived with the issue of ISO 9001:2015

The main areas of changes in ISO 9001:2015 are:

- structure and terminology, including incorporation of Annex SL framework;
- the wider internal and external context of an organisation's Quality Management Systems (QMS) (Clauses 4 and 6);
- detailed Quality Management System (QMS) requirements' (broadly clauses 5 and 7 – 10).

SGS is in an ideal position to support you through the transition process by giving you information on ISO 9001:2015 version.

ADDITIONAL INFORMATION

This course does not meet the transition requirements for auditor certification.
